

Kring van VEGA-Zeilers

Newsbulletin www.vegazeilers.nl

Nr. 23, november 2011, 2nd year

A publication of Ver. Kring van VEGA-Zeilers/The Netherlands

De Atlantic voyage of Vega "Frigga"

Thomas Langer, member of our German sister organisation writes in this book about his voyage over the Atlantic ocean.

The e-book may be ordered here and comes in november also as "hard copy".
(in German)

Vega nr 1 for sale!

The very first mahogany Albin Vega prototype from 1965 is now for sale in Trelleborg/Zweden.

Seller asks: Sek 25.000, --

[Information here.](#)

For the real Vega fan!

Reversing the Vega a problem?

No, says Ton Nagelkerken, Vegakringskipper of Vega 3241 "Cabana".
Ton gives courses "reverse motoring".

[Information here](#)

Boatfit

Germany's only "refit" show opens its doors

24 – 26 february 2012 in Bremen.

Interesting for Vega skippers. The show emphasizes on maintenance.

Show Classic Ships Enkhuizen The Netherlands

The Federation PolyClassics was present on this show, held from 4 t/m 6 november..
Foto: Vegakring-skipper Henk van Loon (l) en Igle Berghuis of the Dutch.
Marieholmassociation in the Federation stand. In the showmarina the PolyClassics were represented with a Vega.
Look at [homepage news](#) for more foto's of this unique show!

Bavaria "Vega"

Truly spotted and no photoshop!!
A case of "wishful thinking" ?

Look here for Vega Marin's offers till 15 december.

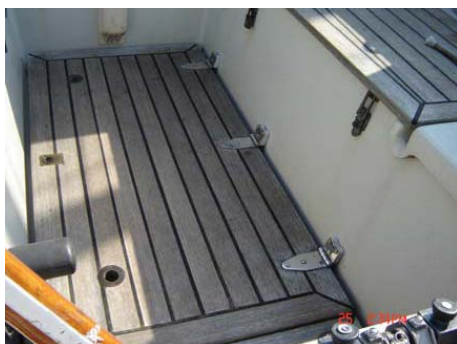

Only for members of Vega associations.

**Vega
Kalender**

Reminder needed for the Vega calendar?

On which dates was the next IFR again? When the next sea-wadden event? And many more Vegakring events?

Check here and mark your agenda!

The Vega engine hatch

Are you fed up bolting the engine hatch?

Vegakring skipper Henk van Loon constructed hinges on his Vega 1529 Sidéra.

Read here his article about his invention.

(those interested my apply here for an english translation)
